Mindgrub Technologies Named Best Innovative Technology

The Catonsville Chamber of Commerce selects Mindgrub to receive Best Innovative Technology award for 2011.

Baltimore, MD -- Mindgrub Technologies has been selected by the Catonsville Chamber of Commerce to receive the Chamber's 2011 award for "Innovative Technology." The Catonsville Chamber of Commerce recognizes businesses that have contributed innovative products, services and technology; broadened society; and promoted economic growth both within and beyond the Catonsville community. The award will be presented at the Chamber's awards dinner on October 12, 2011.

Mindgrub was selected for this honor not only for its continued presence in the Catonsville community, but for its dedication to blending creativity and technology to create unique solutions for all types of businesses, both regionally and nationally. Mindgrub is a comprehensive Technology Innovation Agency—combining technological, strategic, and creative expertise. Mindgrub's clients range from local universities, such as Catonsville's own University of Maryland, Baltimore County (UMBC), to Fortune 500 companies.

###

About Mindgrub Technologies, LLC

Mindgrub specializes in the strategic development of technology and services to meet the evolving marketing and information delivery means of Fortune 500, Government and Education institutions. We create applications for the web, social media, and mobile technology. We utilize Flash, Drupal, and other software platforms to develop social media tools and campaigns. We have unique frameworks for the iPhone, Android and Blackberry mobile operating systems. Mindgrub knows, and is a leader in, how to keep users of new technology engaged and accessing information in creative and innovative ways.
